# INSTRUCTIONS:

## STEP 1:

Lay your clothespins flat. Decide how you want to decorate them with washi tape. Add the washi tape to your clothespins. The sample has a strip of washi tape on every other clothespin.

## STEP 2:

Lay your lid with the cup side facing up. Clip the clothespins down onto the brim of the lid. Make sure your washi decor is facing out.

## STEP 3:

Add dots of glue between the lid and each clothespin to secure them.

## STEP 4:

Wrap your burlap ribbon around the center of your clothespin container. Secure with a dot of glue.

## STEP 5:

Wrap the twine around the burlap ribbon and tie in a bow. Add a glue dot under the bow.

## STEP 6:

Place your terra cotta pot in the center of the container. Put a real or artificial succulent inside!
