

Step 1: Glue the white snowman outline to the blue circle

## Snowman Snow Globe

Step 2: Glue the mini poms onto the snowman to make the face and buttons

Step 3: Glue the tan strips on as arms and then tie the string in a bow and glue it on as a scarf

Step 4: sprinkle your white fluff onto the center of your snowman carefully, leaving room around the edges. Then glue your plate upside down to the edges to seal it in!
