INSTRUCTIONS

STEP 1:

Lay out your enclosed supplies.

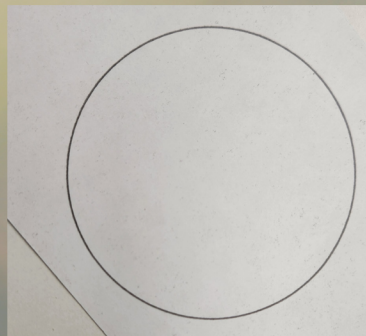

STEP 2:

Glue your button midway on large cork. Push your dowel under the button.

STEP 3:

To make the roof you'll need to cut out the pre-drawn 3 in circle on the paper. Find center and make a cut half way to the center point. Turn your circle to center to make a small cone.

STEP 4:

Attach your string to the middle of the inside circle. Bring both sides to meet and glue together.

STEP 5:

Attach your roof to the large cork. Once attached add your smaller cork to the roof. Embellish with the mushroom and Spanish moss.
