

STEP 7:

Change out the artificial flowers for each season or whenever you like. The library has provided a small assortment of artificial flowers generously donated to us. We hope you might create a fun floral display with these. It may be necessary to add additional floral pieces to complete an arrangement.

SUPPLIES PROVIDED:

- (1) Round Placemat
- (1) Wood Bead Wreath
- Assortment of artificial flowers

SUPPLIES NEEDED:

- Scissors
- Glue Gun
- Glue Sticks

DIY FLOWER HOLDER

Free Adult Grab & Go Craft

Available while supplies last

INSTRUCTIONS:

STEP 1:

Lay your placemat out on a flat surface.

STEP 2:

Slightly bend your beaded wreath, so that it makes an oval shape.

STEP 3:

Lay the beaded wreath over the placemat, so the gap is centered just below the ring in the placemat.

STEP 4:

Fold the placemat up toward the center of the ring, above the beaded wreath, and secure with glue. You will need to hold this down securely for a few moments.

STEP 5:

Take the right side of the placemat and fold it into the middle until the bottom edges of the two folded sides match with no gaps. Glue this down. You may need to glue the inside down first, hold, then go back in and add more glue to fully secure.

STEP 6:

Take the left side of the placemat and fold it completely over the right side. Match up the edges and the bottom so that they fit with no gaps. Add glue and hold down to secure. Add glue in additional areas and hold down until the placemat will not come apart.

STEP 7:

Embellish and fill your hanging flower holder! You can keep it simple or choose to add ribbon, buttons, or other embellishments. It may be fun to create seasonal decor that can be clipped on the front and easily removed for different holidays!
